

Mastering urban rehabilitation operations :

Targeted audience

Managers in charge of urban policy.
Managers in charge of the development and the urbanism at national, regional and local levels.
Project Managers in charge of districts rehabilitation.
Socio-economic actors concerned with the rehabilitation of the districts.

Objectives

The general objective of the seminar is to contribute to qualify the managers in charge of the urban rehabilitation in the restructuring or developing countries.

At the end of this seminar, the participants will be able :
to identify the areas and actions concerned with the urban rehabilitation.
to define an urban rehabilitation policy.
to manage an urban rehabilitation from its identification to its implementation.
to organize an effective team on the project.
