

# Project Management

## International seminar

### Targeted audience

Project managers.

Counselors and executives from public and private organizations.

### Objectives

- To analyse opportunities and environment's threats, structure and operation of infrastructure markets in Europe and in developing countries, as well as the dynamics of competition in such markets.
- To use the strategy analysis methods and tools.
- To prepare and implement a strategy plan.
- To streamline management of projects in accordance with constraints of cost, time limit and quality.
- To manage the team of the project (to act upon the collaborators results, to create an atmosphere of confidence, to delegate, to prevent and to handle conflicts).
